## INTRODUCTION TO MTCM

### What is the Metropolis Training Center of the Mashhad Municipality (MTCM)?

In 2008, MTCM was designated as a training branch of *the Metropolis Training Institute (Montreal, Canada)*, under the supervision of the *International Scientific Cooperation Office (ISCO)* of the Municipality of Mashhad with the aim of providing first class international training and knowledge exchange for municipal experts, advisers and policy-makers in order to install lasting skills, attitudes and knowledge that will enhance the performance of municipalities worldwide.

### What are our Objectives?

We intend to reach our aims by the following:

- ✓ Hosting international training programs annually on needed themes.
- ✓ Searching for and inviting the best trainers in related fields.
- ✓ Developing training content based on the knowledge of participants' needs and level.
- ✓ Establishing and implementing international training standards in order to run well-organized training programs.
- ✓ Offering international certificates of participation for those who adhere to our standards.
- ✓ Providing effective international professional links for experts.

To date we have hosted 17 training programs.
